To all Stakeholders in Toot Hill School
Tuesday 20th March 2012

Dear Stakeholder

Proposal to convert to a Multi-Academy Group Trust

I write to inform you that the Directors of the Toot Hill School Academy Trust, at a special meeting held on Monday 19th March, resolved to convert the Academy Trust into a Multi-Academy Group Trust named the 'Torch Academy Group' Trust.

The headteacher's proposal and presentation together with FAQs can be accessed on the school website www.toothill.notts.sch.uk

We would now like to ask you for your thoughts on the following changes:

"The conversion of the Toot Hill School Academy Trust into a Multi-Academy Trust?" and
"Toot Hill School's membership of the Multi-Academy Trust".

Responses should be addressed to the Clerk to Governors and can be submitted in writing to the school address or by email using the 'Contact Us' button on the school website. Paper copies of the documents are available from the school office on request.

The period of consultation ends on Tuesday 17th April. The Governing Body will meet after that deadline and review all comments and representations received, and decide whether any measures require to be taken in the context of the consultation.

I would welcome your participation in this consultation so that the Governing Body can take cognisance of the views and opinions of all those associated with Toot Hill School.

Yours sincerely

Barrie Thomas
