

Public Consultation – Footpath diversion

Feedback form

	Strongly agree	Agree	Disagree	Strongly disagree
1. I agree with the reasons presented by the school for wishing to divert the public footpath				
2. I believe that public access to the school playing fields is of greater importance than the safeguarding of children				
3. I believe that dog walkers should be prevented from using the school playing fields to exercise their dogs				
4. I believe that the route proposed for the diversion of existing footpath is the most appropriate				
5. I do not wish to see any alteration to the existing public right of way
