**Making that little bit extra!**

Here are a few ideas on how to make that little bit extra, whatever event you stage:

- Produce a souvenir programme (funded by advertising), as well as raffles, draws and auctions
- Collect loose change in buckets with lids, not tins due to fundraising regulations.
- Get guests to empty their pockets as they leave your event.
- Pass around a pint glass to be filled with pound coins.
- Seek out sponsorship for the food, music or events. .
- Auction off all unclaimed prizes.
