

Year 8 (Gateway)

For your homework project you have four tasks. Follow the guide below to complete your homework on time.

Week 1: Research

Choose one of the public artworks above to create a research page on the artists and the work, with the image of the work. Make sure that you fill in the following:
This artwork is by and is called It can be found in And was installed (put there) in (date). I think that the artwork was put in that location because I like/dislike the work because

Week 2: Respond

Create a stencil or sculpture design. This should be a detailed drawing using tone and shading which is at least A4 in size. Include labels to show the location of your artwork.

Week 3: Explain

Once you have created your response answer fill in the blanks below to explain your ideas. Use the keywords to help you.

I like my work because However I would change It is similar to the artists work because I would put my artwork in because

Keywords:

Location Inspiration Colourful Unusual Creative Ideas Marks Texture
Suitable Shape Tone Materials Shape Form Public Design

Week 4: Present

Make sure your work is neatly presented, fastened together with your name and your teachers name on the front.

Year 8 (Foundation)

Banksy

Antony Gormley

For your homework project you have four tasks. Follow the guide below to complete your homework on time.

Week 1: Research

Choose one of the public artworks above to create a research page on the artists and the work, with the image of the work. Make sure that you answer:

- Who is the sculpture/artwork by?
- Where it is located & when it was installed?
- Why do you think that the sculpture was put in that place, how does it link or contrast to the location?
- What meaning do you think the artwork gives to the public?

Week 2: Respond

Create a response to the artwork. Make sure that you use similar materials and processes, however if you make a sculpture it can only fit into a shoe box or create a detailed planning drawing. Your response must include an idea of the location you have put the work in.

Week 3: Explain

Once you have created your response answer the following questions about it. Make sure you answer using full sentences and use the keywords to help you.

- How is your response similar to the work you researched?
- How could you improve your work ?
- Where did you put your artwork?
- Explain how and why you choice to put your work in that location.

Keywords:

Location Inspiration Colourful Unusual Creative Ideas Marks Texture
Suitable Shape Tone Materials Shape Form Public Design

Week 4: Present

Make sure your work is neatly presented, fastened together with your name and your teachers name on the front.

Year 8 (Higher)

Banksy

Antony Gormley

Ansih Kapoor

For your homework project you have four tasks. Follow the guide below to complete your homework on time.

Week 1: Research

Choose one of the public artworks above to create a research page on the artists and the work. Make sure that you include:

- An image of the public art work from the artist you have selected
- Where it is located & when it was installed.
- Why do you think that the sculpture was put in that place, how does it link or contrast to the location?
- Any interesting facts about the work and your opinion of the artwork's meaning.

Week 2: Respond

Create a response to the artwork. Make sure that you use appropriate materials and use this as an opportunity to show off your artists skills (this can be a drawing, sculpture, photograph or digital work), however if you make a sculpture it can only fit into a shoe box. Your response must include an idea of the location you have put the work in.

Week 3: Explain

Once you have created your response answer the following questions about it. Make sure you answer using full sentences. Your answer should take at least a paragraph.

- How is your response similar to the work you researched?
- How could you improve your work ?
- Where did you put your artwork?
- Explain how and why you choice to put your work in that location.

Week 4: Present

Make sure your work is neatly presented, fastened together with your name and your teachers name on the front.

Year 8 (G&T)

For your homework project you have four tasks. Follow the guide below to complete your homework on time.

Week 1: Research

Choose one of the public artworks above to create a research page on the artists and the work. Make sure that you include:

- An image of the public art work from the artist you have selected
- Where it is located & when it was installed.
- Why do you think that the sculpture was put in that place, how does it link or contrast to the location?
- Any interesting facts about the work and your opinion of the artwork's meaning.

Week 2: Respond

Create a response to the artwork. Make sure that you use appropriate materials and use this as an opportunity to show off your artists skills (this can be a drawing, sculpture, photograph or digital work), however if you make a sculpture it can only fit into a shoe box. Your response must include an idea of the location you have put the work in.

Week 3: Explain

Write at least two paragraphs explaining how your piece of work is influenced by your chosen artist. What are the similarities/differences and why do you like the response. Explain how and why you have chosen your location in detail.

Week 4: Present

Make sure your work is neatly presented, fastened together with your name and your teachers name on the front.

Anish Kapoor

Antony Gormley

Trafalgar Square 4th Plinth Project

Your choice (this can be any public sculpture).
