Be **PROUD** of your work!

Currently, my writing skills are at Level 5.
This means that I am able to:

1. Write using a variety of sentences and using past, present and future tense as appropriate.

2. Punctuate almost all my sentences accurately, using colons and semi – colons correctly.

3. Use a greater variety of connectives like '**although**', '**similarly**' and 'for **Instance**' to develop my ideas in detail.

4. Structure my writing clearly, with sentences organised into clearly connected paragraphs.

5. Spell most words I use, including some tricky ones, correctly.

To improve my skills and achieve Level 6, I need to:

1. Link sentences within paragraphs using connectives.

2. Use the full range of punctuation marks.

e.g. colon to emphasise

There is only one word to describe the Prom: amazing!

semi-colon to link similar ideas

Mr. Tomasevic supports MUFC; Mr. Whiteley is a Leeds fan

3. Use more sophisticated connectives, like those on the back page, to develop my ideas in detail.

4. Link and build paragraphs throughout my piece of work.

5. Spell correctly.
