Catering Update - Price List Changes

Dear Parents and Carers.

I have been made aware by Aspens, the School's catering company, that due to food price inflation, there will be some tariff changes to our menu in the school canteen from 1st January 2024.

The school has reluctantly had to accept this change. Aspens have explained that in order for them to continue to meet government guidelines, they are experiencing the effects of price increases on the ingredients that they buy.

Aspens continue to work hard to reduce inflation pressures as much as possible, always ensuring the quality and choice of their menus remains at the forefront of their offering. The current price of a main meal and the meal deal price (main meal + water/fruit/homebake) remains the same at the cost of £2.90. Similarly, our free school meals provision will remain fixed at £2.90 per day. However, individual items on the tariff will be increased. The new tariff is attached to this letter for your information.

If you require any further information, please do contact me by emailing my PA, Mrs Raoof, at the following email address: traoof@toothillschool.co.uk

Yours sincerely,

Dr C Eardley Head Teacher
