Important Information for Parents and Carers

Dear Parents and Carers,

I hope you are enjoying a fantastic June in the current sunshine. I have some important information to share with you.

A Staggered Start to the 2025-26 Academic Year

To facilitate a great induction to the new academic year, Year 7 and Year 11 will start a day before all other year groups. This approach is consistent with all secondary schools in Nova Education Trust, and it enables induction activities for all year groups that support a very strong year ahead. Consequently, the start dates after the summer break are as follows:

Year Groups	Start Date
7 and 11	Monday 1 st September
8, 9, 10, 12 and 13	Tuesday 2 nd September

Parent and Carer Experience Online Survey

We are approaching the time of year when I will send all parents and carers the annual online survey. Your voice is so important to us, and your valued opinions are used to optimise our school. Quite simply, your voice helps us improve.

The survey will open on Monday 30th June and close on Friday 11th July. I will share the link when the survey opens but I thank you in advanced for your support.
