Supporting our Community at Christmas Time

Dear Parents and Carers,

As we approach the winter months, the financial pressure on our families will only get worse with rising energy costs, increased mortgage payments and the general cost of living increasing.

Consequently, as a Trust, we have decided to raise funds for our communities in which we serve, specifically those families who are most impacted and unable to provide the basics for their children.

With your support, we aim to provide some relief from the additional pressure of Christmas on these families by proving a gift voucher to assist them during the festive period. Our aim is to raise £50,000 for our communities and leave no stone unturned to reach this target!

To donate, please use the following link:

[Crowdfunding to support our families who need it most at this time of year. on JustGiving](#)

Or use this web address: <https://www.justgiving.com/crowdfunding/novatrust>

Your kind donation could make the world of difference to a family at a very difficult time of year, particularly to those who are the least likely to ask for help and support.

We are asking our staff to donate, as well as seizing fund-raising opportunities in school to support our local communities. If you have any suggestions for fund-raising, please do not hesitate to contact me. Furthermore, please feel free to share the link above with your family and friends.

Thank you in advance for your consideration.

Yours sincerely,

Dr C Eardley
