Year 10 Mock Exams

Dear Parents and Carers,

As we approach the end of the academic year we are looking forward to providing year 10 students with an experience of examinations. Our mock exam window begins on Thursday 19th June and this will be the first opportunity for year 10 students to experience a traditional exam series ahead of entering year 11. The provisional timetable for this can be found on the next page of this document.

More information will be provided to students prior to the exams starting through assemblies and during lessons, but we wanted to provide this timetable now to allow parents/students to plan accordingly. We will also be in contact again closer to the exam window with further information.

Thank you in advance for your anticipated support throughout this examination series.

Yours sincerely,

Steve Brown
Deputy Head Teacher
