

Dear Parent/Guardian,

Year 13 Parents' Evening – Monday 28th November 2016

We are writing to invite you to attend the Year 13 Parents' Evening, which will take place on Monday 28th November 2016 from 4pm until 7pm in the Suthers' Building.

During the evening, there will be the opportunity to discuss your son/daughter's progress in each of the courses they are currently studying at Toot Hill College, with their subject teachers. In preparation for the evening, subject teachers will be booking appointments with students during this preceding week.

If for any reason you are unable to attend the evening, please do not hesitate to make contact directly with your son/daughter's subject teacher, who will be happy to provide an update by phone or email.

Yours faithfully,

Sarah Fox
