

8 February 2021

Dear Parents, Carers and Students

At this stage of the academic year, we usually welcome Year 8 students and their families into the school to an Options Information Evening. Unfortunately, this is not possible at the moment and so I invite you to an online Curriculum and Options Information Evening on **Tuesday 23 February 2021 at 7.00 pm.**

The information evening will be a live online event. You can access the event by clicking on this link:

[Year 8 Curriculum and Options Information Evening](#)

The evening will provide you with important information about our curriculum provision for our current Year 8 students up until their studies at the end of Year 11. The evening will also describe the options available to our students as they look to embark on GCSE and vocational courses whilst maintaining a broad and balanced learning experience.

There will be the opportunity to ask questions during the live event through a chat function. Please note the questions may be answered after the event if there is a large volume of questions.

I look forward to speaking to you at this live online event.

Yours sincerely

Dr C Eardley
Head of School
