

<b>SUBJECT: PE</b>  <b>EXAM BOARD: OCR</b>		 <b>TOOTH HILL COLLEGE</b> <small>WILSON, WILSON &amp; PARTNERS</small>
<b>Course Overview</b>	<p>You will study three theoretical areas of Physical Education, these being; Anatomy and Physiology, Psychology and Socio-Cultural Issues. These units are assessed through examinations in Year 13 and are worth 70% of the final grade.</p> <p>Students must submit a video of themselves performing all of the skills shown in the specification for their chosen sport including footage of them in a competitive game. Students will also be recorded analysing a sports performance in depth through a 20minute (approx.) video. Both of these elements make up 30% of the final mark.</p>
