DIRECTOR'S ADDRESS

I can't believe we have finally made it!

'We Will Rock You' is our first school show since the pandemic hit, and it is a corker! Our superbly talented performers represent Year 7 all the way through to Year 13 and have worked tirelessly since September to produce a funny, powerful and beautifully entertaining show for you. I hope it has you clapping, singing and yes, even dancing, in the aisles by the end of it!

When Dr Eardley and I first discussed putting on a school show again, we wanted it to be a community effort and a celebration of the amazing talent and people we have the pleasure to work with every day, and this truly is. The students and staff form the stunning show band and amazing cast, have designed and made/operated the set, costumes, lighting and sound, from the backstage team, designed the poster, sold the programmes, organised the venue and finances and they have even baked the cookies!

Community and celebration are experiences we all missed out on during the pandemic, and it was particularly difficult for our students. This academic year has been the first return to a 'normal' year and I am so pleased our students have been able to come together across the year groups and experience a rite of passage — putting on a school show. This is especially poignant as many of our leading performers in Years 11 and 13 are heading off to performing arts colleges and university this year, and it will be their last performance here. I am very sad to see them go, but so excited to see them pop up on the TV soon!

Directing WWRY has been an absolute pleasure. I am immensely proud of everyone involved in the show. I hope that the show you are about to see doesn't put you UNDER PRESSURE, or leave you wanting to BREAK FREE, but has you yearning for SOMEBODY TO LOVE as you yell I WANT IT ALL with us, as we celebrate that WE ARE THE CHAMPIONS when we finally find our BOHEMIAN RHAPSODY, all the time knowing that WE WILL ROCK YOU!

Melody Britton
Director
