

Equipment Check

What Equipment do I need for School?

- You should bring a **school bag** for your books to go in.
- You need a **pencil case** but it doesn't have to be clear.
- For Maths and Science you need a **scientific calculator**. The recommended calculator is: **Casio fx-83GT CW**
- A compass is useful but not essential for Maths
- Please see the list to the left of what you do need in your pencil case 😊
