

# WEEKLY BULLETIN

Week Commencing: 19th September 2016

## KEY MESSAGES

We hope that everyone who is attending the Achievement Evening enjoys the event. Photographs of the students' success will follow in next week's edition.

Next week a letter will be sent to all parents regarding the level of attendance that is required of your children and the effect that absence can have on school achievements.

Please be reminded that all students are expected to be on school site, ready for the start of the day, by 8.25am.

## YEAR 7

Our Year 7s are continuing to settle in well; last Thursday the students went through the fire drill procedure so they would know how to keep themselves safe should the fire alarm sound. As their Head of Year, I was proud of how well they conducted themselves, especially when lining up on the field in silence awaiting further instruction. The year 7 team are looking forward to welcoming you on Tutor Review Day next Tuesday.

Upcoming events include Year 7 Parents Evening (12th October and 20th October) and Year 7 Music Concert (18th October).

## YEAR 8

Year 8 students have all received their homework timetables earlier this week. Therefore, please take a moment to identify which subjects are setting homework this half term.

The Year 8 Boys Football team won 8-1 on Wednesday 21st September. The scorers were J. Bouch (3), D. Markham (2), C. Grant, J. Wynne and D. Mclean.

Hagg Farm letters were sent out earlier this week. Please ensure the completed EV4 forms are handed back to reception as soon as possible.

## YEAR 9

The GCSE courses are now well underway in Year 9.

Pupils are now hard at work in their option subjects laying the foundations for the next 3 years. Isabelle Tomlinson and Caitlin Looms pictured here in their Food Technology lesson where they have been baking delicious cupcakes.

Attendance in Year 9 is 96.5% this week so very close to our target of 97%. Thank you for your support in this.

## YEAR 10

We are expecting all Year 10 students to commit to an extra-curricular club or booster session in school this year. This week the extra-curricular clubs have been promoted and academic clubs will be later this week. All parents will receive a copy of both timetables at next weeks Student Review Day.

What an achievement! We are delighted to announce that Cat Laverty has been promoted to the Nottingham Youth Orchestra playing first violin. Well done, we are very proud of you.

## YEAR 11

Meningitis vaccinations will be taking place next Wednesday Please ensure your son/daughter's permission letter is returned by Friday.

Good citizen prizes have been given to Stefan Mann and Harry Hammett for their honesty and kindness in the school and local community. Stefan found a £10 note and kindly handed it in to reception rather than keeping it for himself! Harry helped a local lady in Bingham. When her bag broke sending her shopping all over the pavement, Harry left his friends to go and help her pick up her belongings. Well done boys.
