

# WEEKLY BULLETIN

Week Ending: 30 June 2017

## KEY MESSAGES

- Please see attached link regarding 'Child Employment Awareness' for school-age children aged 13 to 16: <http://www.nottinghamshire.gov.uk/jobs-and-working/support-for-businesses/employing-a-13-to-16-year-old>

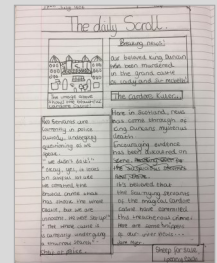

## YEAR 7

During their English focus on the work of William Shakespeare, students in 7c were invited to create a newspaper article reporting the murder of King Duncan in the play of Macbeth - see right for Elle's account in the Daily Scroll.

Year 7 reports are currently being collated and they should be with you next week. Please contact your child's tutor in the first instance if you have any concerns about their progress.

As a reward for the hard work in their recent examinations, next Thursday all Year 7 pupils will welcome a motivational speaker; please see next week's bulletin for students' reviews.

Head of Year 7: Mrs L Munro

## YEAR 8

The final 8.3 school report will be made available on Insight by the end of next week. Please take a few moments to look at the CAL number in relation to the Year 8 target. Please also discuss the attitude and homework scores with your child.

As Sports Day approaches, please encourage your child to get involved with at least one event. Tutors will pass on information to pupils about specific colours for the day and which country and continent they will be representing.

Good luck to the group of Year 8 students who will be meeting author Lily Divall on Monday to get an insight into creative writing.

Thank you very much for your support with payments for Activities Week.

Head of Year 8: Mr A Modi

## YEAR 9

Preparations continue for T-Fest with each tutor set taking time to allocate roles and responsibilities as they prepare their stalls for the big day.

Sports Day represents another highly anticipated event on the school calendar. In line with the whole school 'creativity' theme this term, pupils are finalising their teams whilst working on their themed items to parade on the day.

Well done to all pupils involved in the Big Bang STEM trip this week. Feedback from all involved was really positive and a big thank you to Mr Lawrence and the Science team for facilitating the event.

Head of Year 9: Mr D Lynas

## YEAR 10

Huge congratulations to the Year 9 and 10 girls' football team who won the South Notts Cup this week beating West Bridgford 4-0. Goals from Amelia Hartley, Ella McManus, Kyrah McIlwraith and Megan McDonnell sealed the victory. This win tops off a great year for Year 10 sport with both boys' and girls' football teams winning trophies. Good luck to everyone next year.

A gentle reminder to return consent forms and payment for the university, college and apprenticeship trips at the end of July. It is a great opportunity for your son/daughter to look at all the options available to them at the end of Year 11 in a year's time.

Heads of Year 10: Ms L Hughes & Mr R Wickens

## YEAR 11

We celebrated with over 250 pupils at the Prom on Friday, 23 June 2017. All the pupils and staff looked absolutely stunning and a fantastic time was had by all!

On Thursday evening, the Art Department hosted the Art and Fashion Exhibition. The quality of the work was absolutely stunning and beautifully showcased our very talented pupils and highly skilled staff. (Photos from the Exhibition at bottom of page.)

Head of Year 11: Mrs J Gray

## Activities Week 2017

Please remember that your child's place on their activity at Activities Week is only secured once a signed consent form has been received. Please return your child's consent form urgently if you haven't already done so. General enquiries ([mtinsley@toothillschool.co.uk](mailto:mtinsley@toothillschool.co.uk)). Finance enquiries ([jpackard@toothillschool.co.uk](mailto:jpackard@toothillschool.co.uk))

## Movie Night

25 students joined Ms Marris and Miss Jones for a movie night in the Learning Lounge to watch 'A Monster Calls'. It was a huge success, popcorn was enjoyed and a tear or two were shed for the film. The book by Patrick Ness is available to borrow in the Learning Lounge.
