WEEKLY BULLETIN

Week Ending: 4 October 2019

YEAR 7

The Year 7 team would like to say a big congratulations to the students pictured right, who have been nominated as our 2019/2020 tutor set captains. The tutor captains will be supporting their tutor group on a daily basis and have various roles and responsibilities each morning.

We are also hoping to recruit a number of Teaching and Learning Ambassadors from the Year 7 cohort, more information will be given to our students during tutor time next week.

Head of Year 7: Mrs L Munro Pastoral Lead: Mr M Leslie

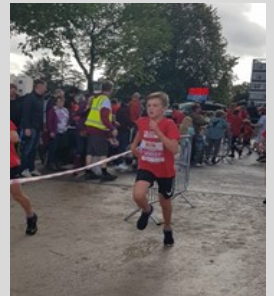

YEAR 8

Year 8 have been busy this week, putting their purple pens to work following our assembly on how to use feedback to become experts.

As well as this, both the girls and boys have had football matches and some of our fabulous runners completed the mini Robin Hood Marathon with great success.

It is only a matter of weeks until Adventure 8 takes place and we can't wait to see the students there with us. The deadline has now passed for the return of your EV4 forms, so please can you ensure this is in if you have not done so already.

Head of Year 8: Miss L Hughes Achievement Coordinator: Miss I Ridley

YEAR 9

The Year 9 netball team put out a fantastic performance this week in their first tournament of the season.

The whole team played well with Daisy Mason leading the team and supporting them in securing a 8-8 draw against Nottingham Girls High School.

The second game saw Eve Benning battling in the circle and strongly defending resulting in a 10-4 win. Well done girls!!!

Head of Year 9: Miss N Ward Achievement Coordinator: Miss B Marshall

YEAR 10

This week Year 10 have been voting on the key issues in the local area to feedback to our Member of Youth Parliament Jack Kellas. He can then collate all of the results to address the important issues facing us at the moment.

The Duke of Edinburgh Award Scheme is about to start and Year 10s have been collecting all of the information ready to register on the programme. It involves a huge commitment and we're really proud that so many Year 10s have made the decision to embark on such a prestigious scheme. For anyone still deciding remember that colleges and employers would look on this award favourably as it develops communication, teamwork and a whole host of other skills as well as demonstrates dedication.

Extended study numbers are still good although we always have room for more! Spanish masterclass especially seems to be very popular at the moment.

Head of Year 10: Mr D Mordue Achievement Coordinator: Miss I Sheldon

YEAR 11

This week Year 11 have been learning about how to lift their learning with the use of their purple pen in lessons. The focus on this week's assembly was the importance of the purple pen to ensure that the students' improve their work and develop their understanding.

We still need to ensure that students are placed for Work Experience - please can you contact your child's tutor if you need any help finding them a work experience placement.

In preparation for the mock exams next week, please can you ensure that your child is equipped with the necessary equipment and check INSIGHT for revision materials.

Head of Year 11: Miss V Salt Achievement Coordinator: Miss A Hall
