YEAR 7

On Wednesday morning, a group of Year 7 students met with Mrs Rothwell. The students have been nominated to be our Year 7 Teaching and Learning Ambassadors. As part of our 'Student Voice' students will meet regularly to discuss teaching and learning in Year 7. There is a student representative from each tutor set and students will have the opportunity to provide feedback to the Ambassadors before each meeting.

It has been fantastic visiting lessons this week and seeing some of the amazing work students are continuing to produce. In Maths, students were also showing leadership skills and supporting their peers with challenging questions. Students have also been engaging in in-depth discussion in English, where they have been unpicking quotes about Bill Sikes in Oliver Twist.

We are looking forward to recognising students in our end of year Achievement Assembly, reward lunches and lots of certificates will be awarded to students.

Finally, we would like to congratulate Isabel in 7.9. Isabel competes in sailing and she has been gifted a brand new topper sailing dinghy. In order to achieve this she has had to show high levels of enthusiasm, drive and commitment to the sport. Well done Isabel, we are very proud of your achievement.
